# D E D I C A T I O N

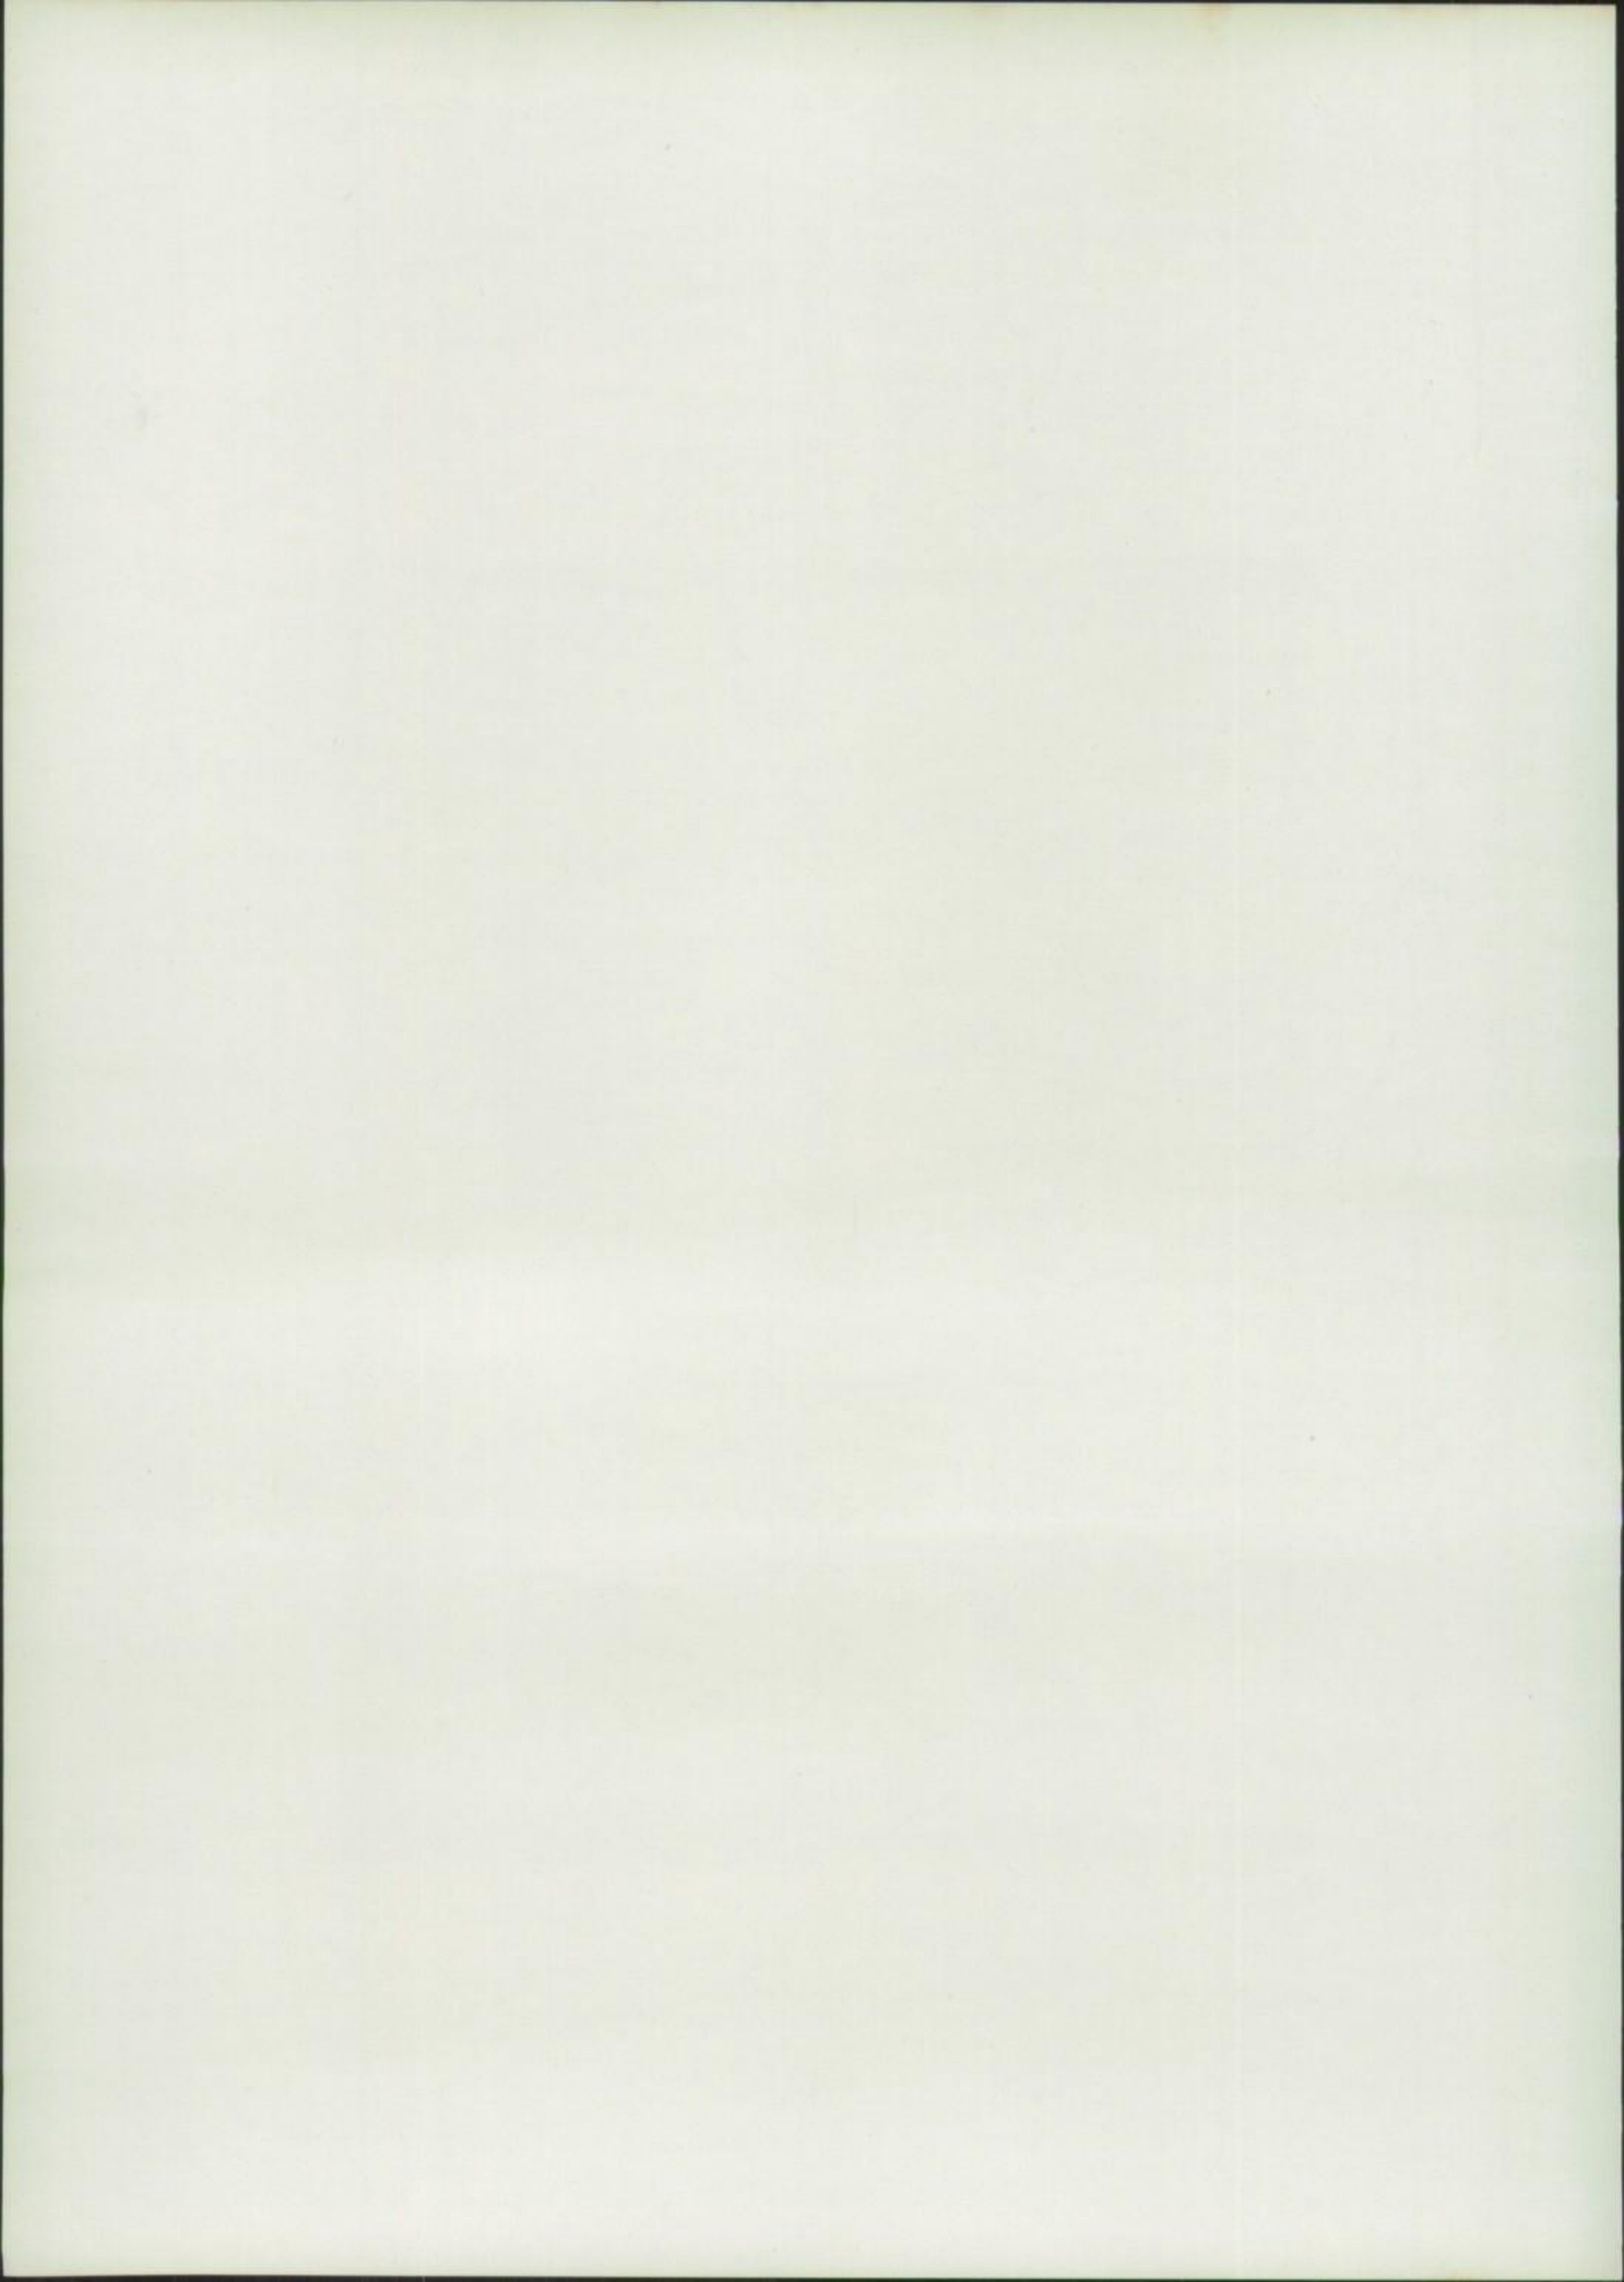

The class of 1960 dedicates our yearbook to our loyal and patient teacher, Mrs. Louise Hiatt, class sponsor during our eighth grade, junior, and senior years.

We have appreciated her interest in us as individuals, and her wise and witty guidance in class activities.

To Our Parents . . . for your sacrifices, sympathetic interest, and loving thoughtfulness in helping us during our four years of high school, we want to extend heartfelt thanks.

The Manilla High School Marching Band performed at nine home basketball games last year. There were twenty-five members in the marching unit and five majorettes. Band members were dressed in white blouses or shirts with dark ties and black trousers or skirts. At each game the band played our national anthem, each school's fight song, and also performed during the halves and between the second team's and varsity games.

Many of the band members participated in the district and state contests and placed well in all of them. The band also played at the County Band Festival.

The band was skillfully directed by music director, Mr. Willis Cole.

The Girls' Athletic Association is composed of high school girls who wish to compete actively in sports. Each girl must be accepted by vote of the membership before admittance. Any girl who violates the standards of good sportsmanship as stated in the rules receives demerits and may lose her membership. At the end of the school year the G.A.A. members who qualify are given the awards as earned.

The girls earn their awards by playing on their respective basketball teams and also play volleyball.
